

OWIT: CAREER MANAGEMENT

Guillermo Malpica Pazos

(L-R) Ines Temple, OWIT and AmCham; Herminia Ibarra, Harvard; Carmen Rosa Graham, OWIT and IBM del Peru; Camila de Bernardis, OWIT and Banco de Credito.

AmCham was proud to co-organize the Organization of Women in International Trade (OWIT) conference entitled "Managing Your Executive Career." The keynote speaker was Ms. Herminia Ibarra, a professor at the Harvard Business School who teaches a Power and Influence course to second-year MBA students. Ms. Ibarra spoke to a full house of 200 people about organizational innovation, career transitions, women and executive careers, and the development of social identity. Anyone interested in learning more about OWIT events should feel free to contact the Chamber for more information.
